Diamond Head Oil and Refining (56-79)

October 16, 1979

**Fred N. Rubel, Chief
Emergency Response & Inspection Branch**

**Rich Tisch, Chief
Water Enforcement Branch**

Attached are two reports, one from John Burger of Environment and Ecology and one from Michael Polito concerning the Diamond Head Oil and Refining Company. Mr. Polito's report supplements his report of August 16, 1979 a copy which was previously sent to Larry Diamond.

Based upon my policy guidance of December 18, 1978, and determining that there is potential for significant wildlife degradation, please place this case among the next to be processed.
